Digital Safeguarding - Commerce

ORMISTON
CHADWICK
ACADEMY AGE QUOD AGIS

What it is
- Digital safeguarding is all about keeping yourself and others safe when online. Commerce is one aspect of digital safeguarding this is about risks such as online gambling, innappropriate advertising, phishing (fake emails to gain personal information to be used for fraud) and or financial scams.

Signs
- People spend a lot of time on computers
- People dont want to access or us technology
- Impero searches
- People become isolated
- People may become withdrawn
- People dont have or do have a lot of money

What to do
- Log your concerns on cpoms pass the slip to one of the DSL's
- Listen to the student and never judge
- Use the buttons on school website to report inappropriate content
