

OCA Personal Development Calendar 23-24

Date	Year Group	Activity	Description	Impact/Pupil Voice
Daily	All years	Morning Enrichment Sessions	30 minutes timetabled sessions aimed at enriching our students cultural capital, literacy and careers knowledge.	• All students follow the same, comprehensive morning enrichment timetable. • Funding secured to provide every student with their own book to read as a class reader.
Weekly	All years	Assembly	Our assembly calendar is planned in accordance with the multi-faith calendar and key dates including British Science week, black history month and many more. Assemblies are planned with our school values of originality, community, aspiration, excellence and respect at their core.	• All students follow the same, comprehensive assembly timetable. • School community focus and student success is celebrated twice half termly in House and Head of year assemblies.
Weekly	Year 11	Futures lessons	All year 11 take part in our Futures curriculum which discretely focusses upon 'life skills' to prepare them for post-16 and future life. Skills worked upon include interview skills, jobs around the world, money management, application preparation as well as	• Every year 11 student partakes in virtual work experience as part of our four-pronged approach to WEx. • College applications filled in and CV's completed to ensure

			offering virtual work experience through the platform Springpod.	post-16 steps secured for all students.
Weekly	All years	Personal development lessons	OCA's Personal Development curriculum offers students in all years age-appropriate access to relationships & Sex Education (RSE), Health education, Citizenship and Careers education.	• All students receive an enriched PSHE offering, following statutory guidance. • Latest student voice: 88% students state that PSHE content provides an age-appropriate understanding of relationships and sex education.
12.09.23	All years	Internet Safety Assembly	An assembly led by Cheshire police teaching students about the harms of internet safety and social media. The assembly offers shocking truths about the contracts signed with social media companies when you sign up and the amount of information that they are able to access as a result.	• All students partake in one hour led by an external speaker on internet safety team.
