Year 7 - Judaism

Abraham

Abraham is thought to be the real role model in the Jewish Faith. He was the first person to teach the idea that there was only one God and he nearly sacrificed his beloved son for God. Because of his willingness to listen to God and do as he says without questioning him, he is considered the "Father of Faith".

Persecution

Persecution is - The act or practice of bullying or treating someone poorly on the basis of race, religion, gender or beliefs.

By the end of WW2 over 6 million Jews had died. Many died by being placed in gas chambers or being shot, others died from disease or not having enough food.

Kosher food

Kosher describes the Jewish food laws. G-d gave Jewish people special rules to follow when eating their food.

- Some of the key rules include:
1. Any animal eaten must have a split hoof and eat grass.
 2. Pork is not allowed.
 3. Any fruits or vegetables are fine.
 4. Meat and dairy cannot be eaten in the same meal
 5. Shellfish aren't allowed

Moses

Moses is the most important Jewish prophet. He's traditionally credited with writing the Torah and with leading the Israelites out of Egypt and across the Red Sea. In the book of Exodus, he's born during a time when the Pharaoh of Egypt has ordered every male Hebrew to be drowned and he saved the Hebrews from slavery and received the Ten Commandments from God.

Passover

Passover celebrates when God's angel of death "passed over" the Hebrews. This meant their children were safe because the Hebrews painted lamb's blood on their doors, as God told them.

The **Seder** is a Jewish meal that has been eaten for thousands of years during the Passover festival. It is eaten to remember the Jewish enslavement in Egypt and the quick escape led by Moses.
