Ormiston/ J Lowry-Johnson	Board of Governors	December 2014	May 2025	May 2026

Rationale and Background to Policy

It is the right of every student to receive free academy education and activities offered wholly or mainly during normal teaching time must be made available to all students regardless of their parents' ability or willingness to help meet the cost. Whilst recognising that legislation provides academies with the discretion to charge for optional extras provided wholly or mainly out of academy hours and to invite voluntary contributions for the benefit of the academy or in support of any activity organised by the academy, whether during or outside academy hours, the Academy will always take particular account of students whose families are suffering financial hardship. Decisions will be made on educational grounds and the Academy will endeavour to ensure that any activities which are deemed to take place mainly or wholly in academy hours do not disrupt pupils' education.

Policy Statement

The Academy Trust's policy on specific matters relating to charging and remission is as follows:-

1 Practical Subjects

Where parents have indicated in writing that they wish to own a finished product, the Academy may make a charge. The charge shall not exceed the cost of the materials used by the student.

2 Transport

Where a student travels directly from home to a place of work experience and vice versa, parents can be asked to meet the cost of such travel, except that no charge should be made in respect of students whose families are in receipt of Universal Credit. Where activities of this sort are organised by an Academy, the Academy will be expected to meet the travelling costs of these students

3 Optional Extras

A charge may be made for optional extras provided wholly or mainly outside academy hours except where such activities are provided:-

- (i) To fulfil any requirements specified in the syllabus for a prescribed public examination.
- (ii) Specifically to fulfil statutory duties relating to the national curriculum.
- (iii) Specifically to fulfil statutory duties relating to Religious Education.

Participation in optional extras will be on the basis of parental choice and prior confirmation in writing is required from the parents that they are willing to pay charges. The charge per head cannot exceed the actual cost of providing the optional extra, divided equally by the number of participating students and may include elements for:-

- (a) A student's travel costs.
- (b) A student's board and lodging costs.
- (c) Entrance fees to museums, castle, theatres etc.
- (d) Insurance costs.

Board and lodging costs are covered under a separate heading.

4 Board and Lodging

A charge may be made for board and lodging in connection with residential activities. The charge cannot exceed the actual cost of providing board and lodging and prior written confirmation from the parent is required that he/she is willing to pay the charge.

Where a residential activity is deemed to take place in academy hours or take place outside academy hours but is covered by the criteria (i), (ii) and (iii) shown in Section 3 of this policy statement, no charge for board and lodging can be made in respect of pupils whose parents are in receipt of Universal Credit. Where such activities are organised by the academy, the academy shall bear the cost of board and lodging for these pupils.

5 Tuition in the Playing of a Musical Instrument except where the Criteria (i), (ii) and (iii) shown in Section 3 of this Policy Statement Apply

Charges may be made for vocal or instrumental tuition provided either individually, or to groups of any size, provided that the tuition is provided at the request of the pupil's parent. Charges may not exceed the cost of the provision, including the cost of the staff who provide the tuition.

Charges may not be made if the teaching is either an essential part of the national curriculum, or is provided under the first access to the key stage 2 Instrumental and Vocal Tuition Programme. No charge may be made in respect of a pupil who is looked after by a local authority (within the meaning of section 22(1) of the Children Act 1989)

6 Public Examinations

Where a student has not been prepared for a public examination by an Academy (including GCSE resits) but has been allowed by the Academy to sit the examination at the Academy as an examination centre, the Academy may make a charge for the examination entry fee. Prior written confirmation from the parent is required that he/she is willing to pay the charge. Where an Academy prepares a student for a public examination not prescribed in regulations, even outside academy hours, a charge should not be made for teaching costs or for the examination entry fee.

Where a student fails without good reason to complete the examination requirements for any public examination for which he has been entered and a fee paid, the Academy may recover the fee from the parents regardless of whether the examination is prescribed.

7 Breakages

Parents can be asked to pay for the cost of replacing broken windows or damaged books etc, where this is a result of students' behaviour.

8 Private Use of Academy Facilities.

Governors delegate the responsibility for determining charges for the private use of Academy facilities by members of staff, for example, private telephone calls, reprographics and faxes to the Principal.

9. Outstanding balance payments for trips/residentials

The Academy reserves the right to withdraw any student from future trips and/or residentials where a balance of payment is outstanding either from a previous trip/residential or the final payment date has passed. In addition, the Academy also reserves the right to refuse a pupil admission to the Prom unless all outstanding balances have been paid to the Academy.

10. Tuckshop

A sweet / drink tuck shop is provided for students to purchase items every Friday, any income generated from the tuck shop are reinvested into the school.

11. Voluntary Contributions

During the academic year requests are made to parents for voluntary contributions, the contributions support with providing students for example the opportunity to partake in Food Technology.
