Student entitlement at Ormiston Chadwick Academy

Careers learner entitlement

Student entitlement at Ormiston Chadwick Academy

- Follow a programme that covers the eight Gatsby Benchmarks and the six themes of the CDI framework
- Follow a programme that supports learners to self-develop, explore careers, manage their career, identify opportunities, action-plan for the future, handle selection processes, manage change and transition
- Have access to the careers platform Unifrog
- Have access to Careers Connect 1:1 Advice
- Receive a minimum of two provider encounters by the end of each key stage
- Receive opportunities to give feedback about the careers programme via the FSQ
- Follow careers education that links to the Personal Development curriculum and subject curriculum.
- Have access to a careers team that provides multiple opportunities for good quality, meaningful encounters with employers, colleges and training providers.
- Have an opportunity to complete a work experience placement in year 10.
- Receive access to an impartial Careers Advisor when required

Learning outcomes for all students at Ormiston Chadwick take part in a careers programme from Years 7-11 :

- Students understand possible options for future education, training and employment
- Students develop decision-making skills that allow them to manage their own career development and progression
- Students use appropriate careers and employment information such as LMI
- Students have work-related activities and experiences, including encounters with employers that develop their knowledge of the 'World of Work'

- Students learn to negotiate key transitions such as year 9 for option choices
- Students can contribute to the careers programme by providing informative evaluation and feedback

Students have access to, and guidance in the use of, careers information that is:

- Accessible and straightforward to use (e.g. on school website/Unifrog and the Government Website)
- Up-to-date and wide ranging
- Age appropriate and comprehensive

Students are offered careers guidance that is:

- Individual, impartial, high-quality, up-to-date and locally relevant. CEIAG 1-2-1 career guidance sessions
- Confidential
- Appropriate to their specific needs and circumstances
- Supportive of diversity and equal opportunities

Chadwick parents and carers are welcome to:

- Contact the Career Leader/Careers Advisor by phone or email with any queries: Miss Davies: daviesl@ocacademy.co.uk
- Arrange a meeting with the Career Leader/Careers Advisors to discuss their child's options and plans
- Receive information about careers events and activities
- Attend any Careers events they are invited to attend
- Give feedback on the content and effectiveness of the careers programme

Our destination data for year 11 (who left in 2025):

- FE colleges: 92.8%
- Sixth form colleges: 0.6%
- Pupils in apprenticeships: 0.6%
- Other: 3.4%
- NEET: 3%
