

Principal: Mrs J Lowry-Johnson BA (Hons)

19th June 2026

Dear Parents/Carers,

With high temperatures forecast for next week, alongside our whole-school assessment programme, we have taken the decision to allow all students to attend school in their OCA PE kit for the entire week.

This measure is intended to help students remain comfortable and focused during their assessments by reducing the likelihood of becoming overheated in their normal school uniform.

Please note:

- Students must wear the full **OCA PE kit only**.
- No alternative sportswear or non-school branded clothing will be permitted.
- Students arriving in their own clothes will be required to change into the correct kit. If necessary, parents/carers will be contacted and asked to bring the correct clothing to school.
- As temperatures are expected to be high, all students must bring a full water bottle to school each day.
- Water bottles can be refilled during break and lunchtime only, so students should ensure they arrive with sufficient water for the morning sessions.

We appreciate your support in helping students remain comfortable and focused during this important assessment period.

Kind regards,

Mrs N Johnson
Acting Principal
