Dear Parent/Carer,

Y11 NOVEMBER MOCK SERIES 1

After half term, your child will be sitting their second set of practice GCSE assessments over a 2 week period. This mock window will run from **Monday 9th November to Friday 20th November**. Morning exams will start at 8.45am with the exception of the first three exams on Monday 9th, Tuesday 10th and Wednesday 11th November which will start at **8.30am prompt**. Please ensure your child arrives at 8.25am every day to ensure they receive the full quota for their exam. The afternoon exams will start at **12.45pm**.

To help support their preparation, at the end of each exam the students will be given time to revise for their next exam. **It is crucial they use this time wisely and bring the relevant revision resources they need with them for this.** Intervention continues to run after school, and there is a revision school during October half term (see timetable below) which will all be targeted towards exam style revision.

Below is a copy of their mock exam timetable, students will also have their own copy with their relevant seat number attached. Please ensure they have all the equipment they need for the exams, including black pens, pencils, rulers, eraser, highlighter all in a clear pencil case and a calculator. It is vital students demonstrate what they are capable of during these exams so we can then provide bespoke intervention during class and intervention.

Here you will find AW1 Revision Mats and Knowledge Organisers to support your learning and revision.

Please note – for exams when there are only small numbers sitting them, the rest of the students will continue on their normal timetable. The two afternoons in the first week, students not sitting an exam (i.e. Art & 3D Design) will need to bring revision with them as they will be sat in the exam hall revising in silence.

On our school website, you will find knowledge organisers for each subject (**these are a summary of the curriculum covered**) to help you support your child's revision.

There are also revision tips available on how to support revision at home, alongside further resources available under each curriculum subject. This can all be found via the QR code on this letter or by following link to our Academy website:

Individual lessons are available on Microsoft Teams if any students need to re-visit any aspect of their learning to help them consolidate it
